Associate Research Director
The Council for Tobacco Research
900 Third Avenue
New York, N.Y. 10022

Dear Dr. Eisenberg,

I am an assistant professor conducting research within the Division of Pulmonary Medicine at the State University of New York at Stony Brook. Recently, a colleague informed me of the nature of your council and your ability to furnish research support. I would like to obtain a grant application and would appreciate any information regarding currently funded projects along with potential areas of future interest.

Thank you for your time and attention.

Sincerely,
